Unique occasions in a historic setting

NH Collection Helsinki Grand Hansa offers an exceptional venue for events that truly matter. Ideally situated in the heart of Helsinki at Mannerheimintie 5, our hotel provides a distinctive backdrop for memorable celebrations.

Our facilities cater to a variety of events, from the impressive Ballroom to the historic Socis Room, as well as the beautiful Presidential Suite, perfect for more intimate gatherings.

Every celebration is designed with care, tailored to your individual style and wishes. Our spaces can be adapted to suit your vision – from small, atmospheric gatherings to grand, striking occasions.

A century of celebrations

Our event and meeting rooms are steeped in history, housed within the elegant former Hotel Seurahuone.

Here echoed Finland's first opera performances, celebratory concerts resounded, and champagne glasses clinked in honour of distinguished guests. Presidents, artists, and notable figures have marked their milestones in these rooms with unmatched elegance.

If these walls could speak, they would share countless unique stories. Once the centre of high society, the Seurahuone's legacy lives on - ready to host your special day with the same timeless grace.
